

Jeje by Banke

Lyrics

Verse 1

I guess I'm that kinda lady
That interests lot of eyes
I'm trying to make conversation
I'm like what says the time?
Boy you came and left me Speechless for a while
I'm trying to pick up my pieces
I guess it's too late for that

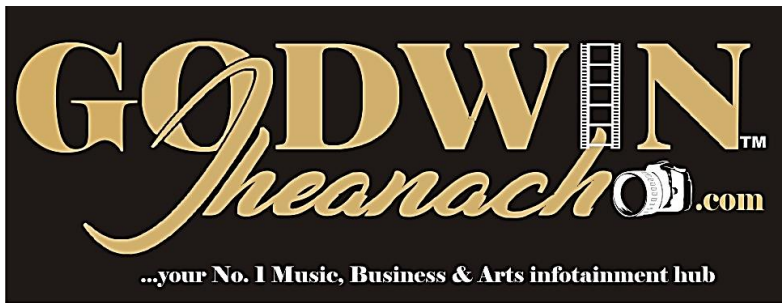

Pre-chorus

I'm walking, I'm walking
I'm thinking about you
Sleeping, I'm sleeping
I'm dreaming about you
Thinking, I'm thinking
It's like I'm losing my mind (mind)
Do you know you've got me going crazy?
Every single time you call me baby
It's my favorite line and it's stuck on replay

Chorus

Oya baby love me jeje, Jeje
Baby love me cool, Cool
Baby let me say that I'll do anything for you, You
When we are together, Geda
The feelings' like a movie
Boy I've realized I want nothing but you

Ìfẹ̀ yi yato
Nothing dem fit do
Go put asunder
I see you alone
I want nothing but you

Verse 2

Now I'm the worst kind of crazy
Doing things never done
Anything for my baby oh oh oh
Oh oh oh
Love me like it's a movie
Keep me inside your arms
Don't you ever leave me my baby

Pre-chorus

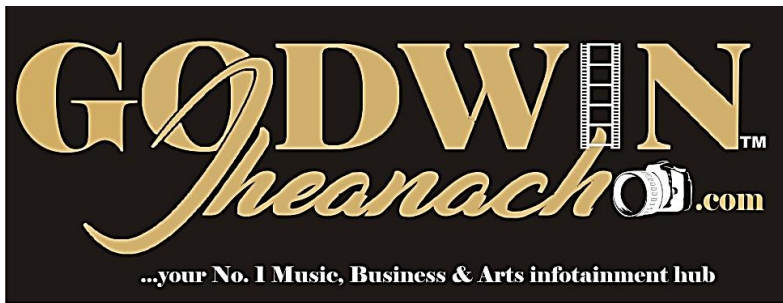

Cause I'm walking, I'm walking
I'm thinking about you
Sleeping, I'm sleeping
I'm dreaming about you
Thinking, I'm thinking
It's like I'm losing my mind (mind)
Do you know you've got me going crazy?
Every single time you call me baby
It's my favorite line and it's stuck on replay

Chorus

Oya baby love me jeje, Jeje
Baby love me cool, Cool
Baby let me say that I'll do anything for you, You
When we are together, Geda
The feelings' like a movie
Boy I've realized I want nothing but you
